#### New Code Sections

§ 78-1. Definitions (Insert after definition of "Animal") ANIMAL CONTROL OFFICER

The Chief Law Enforcement Officer, or an individual or employee of a business retained by the City for purposes of enforcing the provisions of this Chapter. In the later case the City may have them deputized with police powers for such enforcement, including authority to issue complaints for the violation of this Chapter.

### § 78-5. Impounding.

B. Biting animals. Any animal that has not been inoculated by a live modified rabies vaccine and which has bitten any person, wherein the skin has been punctured or the services of a doctor are required, shall be confined in the City Pound for a period of not less than 10 days, at the expense of the owner. The animal may be released at the end of such time if healthy and free from symptoms of rabies, and by the payment of all costs by the owner. However, if the owner of the animal shall elect immediately upon receipt of notice of need for such confinement by the officer to voluntarily and immediately confine the animal for the required period of time in a veterinary hospital of the owner's choosing, not outside of the county in which this City is located, and provide immediate proof of such confinement in such manner as may be required, the owner may do so. If, however, the animal has been or is being deemed a dangerous animal, then the animal shall be confined until such time as the owner complies with the requirements of § 78-12. The animal shall be confined until the order becomes final if the animal is ordered destroyed.

### C. Reclaiming,

- (1) All animals conveyed to the pound shall be kept, with humane treatment and sufficient food and water for their comfort, at least five regular business days, unless the animal is a dangerous animal as defined under § 78-11 in which case it shall be kept for the times specified in §§ 78-5B., and 78-11, and except if the animal is a cruelly-treated animal in which case it shall be kept for 10 regular business days, unless sooner reclaimed by their owners or keepers as provided by this section. In case the owner or keeper shall desire to reclaim the animal from the pound, the following shall be required, unless otherwise provided for in this code or established from time to time by resolution of the City Council:
  - (a) Payment of a \$25 release fee and receipt of a release permit from the police;
  - (b) Payment of veterinary and maintenance costs, as provided by the pound, per day or any part of day while animal is in said pound; and
  - (c) If a dog is unlicensed, payment of a regular license fee and valid certificate of vaccination for rabies and distemper shots is required.
- (2) The \$25 release fee in Subsection A is in addition to the release permit fee specified in the definition of "release permit" in § 78-1.

## § 78-6. Seizure of animals.

Any police officer or Animal Control Officer may enter upon private property and seize any animal, provided that the following exist:

- A. There is an identified complainant other than the police officer or Animal Control Officer making a contemporaneous complaint about the animal;
- B. The officer reasonably believes that the animal meets either the barking dog criteria set out in § 78-7A;

the criteria for dangerous set out in § 78-11; the criteria for cruelty set out in § 78-13; or the criteria for an at large animal set out in the definition of "at large" in § 78-1;

- C. There is evidence that the animal is dangerous or the officer can demonstrate that there has been at least one previous complaint of a barking dog; inhumane treatment of the animal; or that the animal was at large at this address on a prior date;
- D. The officer has made a reasonable attempt to contact the owner of the property and those attempts have either failed or have been ignored;
- E. The seizure will not involve the forced entry into a private residence. Use of a pass key obtained from a property manager, landlord, innkeeper, or other authorized person to have such key shall not be considered unauthorized entry; and
- F. Written notice of the seizure is left in a conspicuous place if personal contact with the owner of the dog is not possible.
- § 78-9. Destruction of confinement of animals.
  - If, in the reasonable belief of any person or police officer, an animal presents an immediate danger to the health and safety of any person, or the animal is threatening imminent harm to any person, or the animal is in the process of attacking any person, the officer may immediately destroy the animal in a proper and humane manner. Otherwise the person or officer may apprehend the animal and deliver it to the pound for confinement under § 78-5. If the animal is destroyed, a charge of \$75 to dispose of the animal is payable by the owner of the animal. If the animal is found not to be a danger to the health and safety of the City, it may be released to the owner or keeper in accordance with § 78-5C.
- § 78-11. Dangerous animals and potentially dangerous animals.
  - A. Attack by an animal. It shall be unlawful for any person who owns, harbors, or keeps any animal, or the parents or the guardians of any such person under 18 years of age, to negligently or intentionally permit or fail to prevent the animal from inflicting or attempting to inflict bodily injury upon any person or other animal, whether or not the owner is present. This section shall not apply to an attack by a dog under the control of an on-duty law enforcement officer or to an attack upon an uninvited intruder who has entered the owner's home without permission.

This owner/custodian shall be notified as to dates, times, places and parties bitten, and shall be given 14 days to appeal this order by requesting a hearing for a review of this determination.
  - a. If no appeal is filed, the animal control officer may authorize the seizure and the destruction of the animal, unless the animal is already in custody or the owner/custodian consents to the seizure and destruction of the animal.
  - b. If an owner/custodian requests a hearing for determination as to the dangerous nature of the animal, the hearing shall be held before an impartial employee of the local government or impartial person retained by the local government, which shall set a date for hearing not more than two weeks after demand for the hearing. If the animal is ordered into custody for destruction, the owner/custodian shall immediately make the animal available to the animal control officer. If the owner/custodian does not immediately make the animal available, the animal control officer shall obtain an order or warrant authorizing the seizure and the destruction of the animal from a court of competent jurisdiction.
